EDGEducation Sessions

New to EDGE26 are EDGEducation Sessions. These **45-minute sessions** are an opportunity for you to get in front of a credit union-leader audience and demonstrate your thought leadership in one of our four topics:

Digital Transformation & AI Integration

Growth & Relevance Across Generations

Cybersecurity, Compliance & Data Privacy

Disruption & Opportunity in Financial Services

There will be **eight EDGEducation sessions** available. To participate, you will need to submit a session overview including title, session description, key takeaways and speaker information. Product pitches will not be accepted. Submissions that do not relate to one of our key topics will not be accepted. Submissions must be completely thought leadership in nature. If selected, you will be subject to the EDGEducation Session fee of \$6,000.00. **Submissions are due by March 20th.** Selected presenters will be notified by April 3rd.

Submission **does not guarantee acceptance.**

If you are interested in a sponsorship at EDGE26, please email events@edgetechconference.com

2026 EDGE EXCHANGE TECH DEMO

Making a reappearance at EDGE26 is the EDGE Exchange - an opportunity to take to the main stage and demonstrate your cutting-edge technology. The EDGE Exchange is a platform for you, the vendor, to speak directly to an audience of credit union professionals and show them how your technology will help their credit union meet member needs and operate more efficiently. Your presentation should be lecture only, with visual aids to show how your product works.

We want to hear how your technology works and the impact it can have on the credit union industry.

**EDGE
EXCHANGE
TECH DEMO**

\$4,000

(1) 7-min General Session EDGE Exchange on Main Stage

EDGE Exchange Tech Demo to be submitted through the EDGE26 registration site for review/approval no later than March 20th, 2026.

Submission does not guarantee acceptance.

Please Note: EDGE Exchange demo presenter to be notified of acceptance no later than April 3rd. Rehearsals for the EDGE Exchange demos will take place on either Monday, May 11th between 2:00pm - 5:00pm or Tuesday, May 12th between 8:00am - 12:00pm. Rehearsals will be mandatory and will be determined by EDGE.

Successful submissions should include:

- A new, technology-based product
- Product name and/or company name
- Product description, max of 200 characters
- Three to five product benefits, max of 300 characters
- How does your product benefit the credit union industry?
- What makes your product different from others currently available on the market?
- Presenters name, title, bio

Things to avoid in your EDGE Exchange:

- Old products
- PowerPoints outlining the benefits of your product
- Customer testimonials
